## GENERAL DESCRIPTION

Performs routine (journey-level) financial examination work. Work involves conducting examinations to determine and report on financial condition and compliance with statutory requirements, bylaws, and rules. Works under moderate supervision, with limited latitude for the use of initiative and independent judgment.

## EXAMPLES OF WORK PERFORMED

Conducts independent financial examinations.

Analyzes issues and develops action plans to complete financial examinations or investigations.

Communicates with industry employees regarding requirements and results of examinations.

Evaluates recorded assets, liabilities, surpluses, and capital for compliance with statutes, rules, and regulations.

Examines records to verify assets, establish liabilities, and determine statutory compliance.

Identifies areas of progress, improvement, or concern; makes recommendations; and assists in resolving problems.

Prepares and submits documentation and work papers to support findings, and maintains files and databases for reports.

Prepares worksheets and tabulations of financial data from records and representations of management.

Prepares correspondence to verify company accounts and reconciles replies to company records.

Prepares comments for examination reports.

Tests investments against standard references and calculates investment income.

Verifies the accuracy of records, work papers, and related financial statements; determines proper documentation and adequate procedures; and detects and records variances.

Performs related work as assigned.

## **GENERAL QUALIFICATION GUIDELINES**

### **EXPERIENCE AND EDUCATION**

Experience in financial examination, accounting, or auditing work. Graduation from an accredited four-year college or university with major coursework in business administration, finance, accounting, economics, insurance, or a related field is generally preferred. Experience and education may be substituted for one another.

### **KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of auditing and accounting standards and techniques; statutory accounting principles (SAP) and generally accepted accounting principles (GAAP); financial and industry terminology and practices; and corporate structures, business operating procedures, management control, and internal reporting techniques.

Skill in the use of computer systems and associated applications.

Ability to audit financial statements, reports, records, budgets, operational procedures, and forms; to conduct investigations; to prepare concise reports and correspondence; to apply relevant rules, regulations, and statutes; and to communicate effectively.

### **REGISTRATION, CERTIFICATION, OR LICENSURE**

May require certification as an Accredited Financial Examiner (AFE), Certified Financial Examiner (CFE), Certified Insurance Examiner (CIE), or Certified Public Accountant (CPA).

May be required to comply with the bond-related provisions of Texas Insurance Code, Section 401.106, and take the oath required by Texas Insurance Code, Section 401.105.
