GENERAL DESCRIPTION

Performs highly advanced and/or managerial (senior-level) financial examination work. Work involves overseeing the review and evaluation of fiscal, corporate, and operational records to determine financial condition, level of internal control, and compliance with statutory requirements. May supervise the work of others. Works under minimal supervision, with extensive latitude for the use of initiative and independent judgment.

EXAMPLES OF WORK PERFORMED

Oversees and/or conducts independent financial examinations or investigations of organizations, including those that involve controversial regulatory matters.

Oversees and/or develops financial examination policies and procedures for the agency.

Oversees the statistical sampling of records and the preparation of documentation and work papers to support findings.

Oversees the preparation and submission of reports related to financial examinations that include evaluations and recommendations for regulatory or judicial actions as required.

Communicates with industry employees regarding requirements, results of examinations, solvency reviews, or rehabilitation efforts.

Confers with organizational management to resolve problems and deviations from required and permissible standards and procedures.

Determines organizations to be examined, schedules examinations, and assigns resources for each examination.

Monitors accuracy of information in internal database programs and recommends enhancements to internal programs.

Plans and coordinates rehabilitation efforts of troubled organizations and determines regulatory compliance relative to business operations.

Provides guidance to less experienced financial examiners and assists management in meeting training objectives for staff.

May supervise the work of others.

Performs related work as assigned.

GENERAL QUALIFICATION GUIDELINES

EXPERIENCE AND EDUCATION

Experience in financial examination, accounting, or auditing work. Graduation from an accredited four-year college or university with major coursework in business administration, finance, accounting, economics, insurance, or a related field is generally preferred. Education and experience may be substituted for one another.

KNOWLEDGE, SKILLS, AND ABILITIES

Knowledge of statistical analysis and techniques; auditing and accounting standards and techniques; statutory accounting principles (SAP) and generally accepted accounting principles (GAAP); financial and industry terminology and practices; and corporate structures, business operating procedures, management controls, and internal reporting techniques.

Skill in the operation of computer systems and associated applications.

Ability to audit financial statements, reports, records, budgets, operational procedures, and forms; to manage projects for timely completion; to prepare concise reports and correspondence; to apply relevant rules, regulations, and statutes; to communicate effectively; and to supervise the work of others.

REGISTRATION, CERTIFICATION, OR LICENSURE

May require certification as an Accredited Financial Examiner (AFE), Certified Financial Examiner (CFE), Certified Insurance Examiner (CIE), or Certified Public Accountant (CPA).

May be required to comply with the bond-related provisions of Texas Insurance Code, Section 401.106, and take the oath required by Texas Insurance Code, Section 401.105.
