GENERAL DESCRIPTION

Performs entry-level human resources management work. Work involves assisting in the administration of a human resources management program (recruitment and selection, compensation, classification, employee relations, or benefits). Works under close supervision, with minimal latitude for the use of initiative and independent judgment.

EXAMPLES OF WORK PERFORMED

Answers routine questions from employees and managers on human resources policies and procedures.

Enters, updates, and/or retrieves information from various automated, human resources, and/or payroll systems.

Maintains human resources automated systems, files, and records.

Administers and scores employment tests.

Assists in completing human resources-related surveys and questionnaires and with preparing routine human resources correspondence and reports.

Assists in compiling and analyzing wage data.

Assists in processing personnel actions and with reviewing completed personnel actions to ensure conformity with agency, state, and federal regulations.

Assists with various recruitment functions including processing and posting job vacancies on internal or external websites.

May assist in conducting new employee orientation and processing new hire forms.

May assist in investigating and resolving employee relations issues.

Performs related work as assigned.

GENERAL QUALIFICATION GUIDELINES

EXPERIENCE AND EDUCATION

Experience in human resources management work. Graduation from an accredited four-year college or university with major coursework in human resources management, business or public administration, organizational development, or a related field is generally preferred. Experience and education may be substituted for one another.

KNOWLEDGE, SKILLS, AND ABILITIES

Knowledge of the principles and practices of human resources management; human resources programs such as employment, compensation, classification, employee relations, benefits, workers' compensation, or organizational development; and federal, state, and local laws and regulations governing personnel activities.

Skill in oral and written communication, conducting interviews, using a computer and human resources-related software applications, and handling multiple tasks and prioritizing.

Ability to explain policies and procedures to staff and the public; to maintain confidential and sensitive information; to develop and analyze human resources processes; to establish and maintain effective working relationships with applicants, employees, and the general public; and to communicate effectively.
