<b>CONTRACT SPECIALIST V</b>	<b>1986</b>	<b>B23</b>	<b>\$55,184 - \$90,393</b>

## GENERAL DESCRIPTION

Performs highly advanced (senior-level) contract management work. Work involves coordinating, developing, and evaluating a broad range of contracts. May supervise the work of others. Works under minimal supervision, with extensive latitude for the use of initiative and independent judgment.

## EXAMPLES OF WORK PERFORMED

Manages procurement-related meetings such as kick-off and pre-proposal meetings, post-award conferences, team briefings, and evaluation scorings.

Coordinates, reviews, and/or develops solicitations, contracts, and amendments by identifying provider resources, describing services to be rendered, evaluating information supplied by bidders, and negotiating contract specifications.

Coordinates the risk assessment process for contract monitoring and planning.

Reviews and/or develops bid evaluation instruments; the modification of solicitation, contract boilerplate, and other contract-related documents; and develops contract administration policies and procedures.

Monitors the reviews of needs assessments to ensure requirements for the purchase of goods or services are complete and justified.

Monitors contract performance by examining billings, fiscal data, and eligibility determinations for compliance with terms of contract and policies, and recommends cancellation of contracts when deviations occur.

Monitors legal and regulatory requirements pertaining to contracting.

Reviews and/or administers the billing process and eligibility monitoring functions for contract billing.

Negotiates contracts renewals and amendments.

Evaluates and reviews expenditure data and makes projections to ensure appropriate use of funds.

Reviews specifications that have been prepared for requests for bids.

Provides guidance to internal and external stakeholders regarding contract administration, policies, and procedures.

Resolves audit exceptions by defining causes of errors and recommending appropriate dispositions.

Identifies training needs and determines how training should be provided and conducted.

May supervise the work of others.

Performs related work as assigned.

## **GENERAL QUALIFICATION GUIDELINES**

### **EXPERIENCE AND EDUCATION**

Experience in contract development, management, or evaluation work. Graduation from an accredited four-year college or university with major coursework in business administration or a related field is generally preferred. Experience and education may be substituted for one another.

### **KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of state procurement and contract management requirements, regulations, and best practices; of negotiating contracts; of developing contracts; of business administration and accounting principles and practices; and of policies and procedures of contract management.

Skill in the use of a computer and applicable software.

Ability to evaluate contracts and recommend future status; to interpret policies, procedures, and regulations; to evaluate fiscal data for reasonableness, necessity, and conformity with contract requirements; to write and edit contract requirements and specifications; to negotiate features of a contract; to communicate effectively; and to supervise the work of others.

### **REGISTRATION, CERTIFICATION, OR LICENSURE**

May require certification as a Certified Texas Contract Manager (CTCM).
