Performs highly complex (senior-level) psychological work. Work involves planning and implementing psychological testing, programming, diagnosing, counseling, reporting, and research. May serve as a lead worker providing direction to others. Works under limited supervision, with considerable latitude for the use of initiative and independent judgment.

## EXAMPLES OF WORK PERFORMED

Plans and implements psychological activities.

Administers and interprets psychological instruments.

Coordinates research projects and program evaluations.

Coordinates training programs.

Conducts individual and group psychotherapy.

Develops and implements individualized program plans.

Interviews clients, recommends treatment, and prepares reports.

Participates in conferences for diagnosis and treatment planning.

Prepares behavior analyses, and designs and monitors behavior modification and skill acquisition plans.

Reviews reports for completeness and accuracy.

Assists in conducting research and disseminating findings.

Assists with quality assurance and quality enhancement activities related to psychological service provisions.

May serves as a lead worker providing direction to others.

Performs related work as assigned.

## **GENERAL QUALIFICATION GUIDELINES**

### **EXPERIENCE AND EDUCATION**

Experience in counseling or psychological work. Graduation from an accredited four-year college or university with a master's degree in psychology or a related degree.

### **KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of psychology and related disciplines; and psychological tests, measurements, and treatment techniques and practices.

Skill in interviewing, and in the use of a computer and applicable software.

Ability to interpret diagnostic interviews and test data, to conduct individual and group psychotherapy, to analyze behavioral deficits, to develop plans for implementing and monitoring rehabilitation activities in skill acquisition and behavior management, to communicate effectively, and to supervise the work of others.

### **REGISTRATION, CERTIFICATION, OR LICENSURE**

Must be a Licensed Psychological Associate in the State of Texas or a reciprocity state.
