**Notes:**

- According to the System, in January 2018, it transitioned approximately 20 employees from two offices at several component institutions to the System Administration Office. This resulted in additional FTEs in fiscal years 2018 and 2019 compared with the levels expected when preparing the 2018–2019 Legislative Appropriations Request (LAR). Although additional FTEs were requested in the 2020–2021 LAR, the estimates for the LAR fell slightly below the actual amounts. However, the System is exempted from the reporting and requesting requirements of the General Appropriations Act, Article IX, Section 6.10, as the number of FTEs allowed in the System’s bill pattern is below 50 FTEs.

- Turnover information was self-reported by the institution. Administrator positions include officials holding titles such as president, vice president, chancellor, associate chancellor, assistant chancellor, dean, associate dean, assistant dean, and positions with similar responsibilities. Staff positions include only non-faculty employees who worked at least 20 hours per week for at least 4.5 months.
