The Texas A&M Veterinary Medical Diagnostic Laboratory Does Not Employ Faculty Positions

---

*a Turnover information was self-reported by the institution. Administrator positions include officials holding titles such as president, vice president, chancellor, associate chancellor, assistant chancellor, dean, associate dean, assistant dean, and positions with similar responsibilities. Staff positions include only non-faculty employees who worked at least 20 hours per week for at least 4.5 months.
Compared with the average salaries in fiscal year 2021, the average salary for staff employees decreased by 0.1 percent, and for administrators it decreased by 12.1 percent. Compared with fiscal year 2018, salary and benefits expenditures increased by 97.2 percent.

In fiscal year 2022, the director’s salary was $215,000. This salary increased from fiscal year 2021, when the director’s salary was $200,000.

In fiscal year 2022, the institution used appropriated funds to pay for 68.0 percent of administrator merit increases and 61.0 percent of staff merit increases.

Of the institution’s administrators, 86.0 percent were 40 years of age or older, and of the institution’s staff employees, 40.4 percent were 40 years of age or older. The average length of employment at the institution for administrators was 13.9 years, and for staff employees it was 7.6 years.

Effective fiscal year 2016, Texas Government Code, Section 657.004, sets for higher education institutions a goal of employing veterans in full-time positions equal to at least 20.0 percent of the total number of institution employees.

In fiscal year 2022, the institution’s total percent of veterans employed was lower than the statewide average and had increased since fiscal year 2021.
