^a Turnover and salary trends information was taken from the Office of the Comptroller of Public Accounts' Uniform Statewide Payroll/Personnel System and Standardized Payroll/Personnel Reporting System. This data has been updated to exclude interns, who were initially reported by the agency as regular employees. As a result, some of the turnover and compensation data will differ from the figures presented in SAO systems and prior reports. Unless otherwise indicated, the data reported is for classified regular, full-time and part-time employees. Salary and benefit information was taken from the Office of the Comptroller of Public Accounts' Uniform Statewide Accounting System.

^b Includes classified regular, full-time employees only. The total percentage for salary range distribution is not the sum of salary schedules A and B percentages.

Fiscal Year 2024 Workforce Demographics ^c

On average, employees at the agency were 49.2 years old and had 6.2 years of agency length of service. Of the agency's employees, 81.1 percent were 40 years old or older, and 58.3 percent had fewer than 5 years of agency length of service. The Employees Retirement System estimates that between fiscal years 2024 and 2028, 32.0 percent of the agency's workforce will be eligible to retire (based on fiscal year 2024 data).

^c Demographic information was taken from the Office of the Comptroller of Public Accounts' Uniform Statewide Payroll/Personnel System and Standardized Payroll/Personnel Reporting System. This data has been updated to exclude interns, who were initially reported by the agency as regular employees. As a result, the demographic data will differ from the figures presented in SAO systems. Data includes classified regular, full-time and part-time employees. Demographic data may appear skewed for agencies with fewer than 50 employees.

Veteran Employment ^d

Effective fiscal year 2016, Texas Government Code, Section 657.004, set for state agencies a goal of employing a number of veterans in full-time positions equal to at least 20.0 percent of the total number of agency employees.

In fiscal year 2024, the agency's total percent of veterans employed was higher than the statewide average and had decreased since fiscal year 2023.

^d Veteran employment information was obtained from the Office of the Comptroller of Public Accounts. Statewide totals include state agencies and higher education institutions.
